

Gentlemen:

As a resident of Kalispell, I enjoy K-LOVE Radio. It is nice to hear uplifting and positive music. I am a school bus driver for Kalispell School District #5 and have K-LOVE on my bus radio. The students enjoy K-LOVE too.

When the local K-LOVE repeater is down for maintenance, many people miss the station. If K-LOVE were displaced by another LPFM broadcaster, this community would be separated from a "Good Friend".

K-LOVE Radio is a Christian station focusing on our God Jesus Christ. Our Founding Fathers believed in God and the Bible. They founded this country on those Christian principles. I very much believe K-LOVE radio is in the public interest.

Thanking you in advance,

Sincerely,

Samuel T. Stockham
